

Dear Business Partner,

Thank you for using our time slot booking portal.

This quick guide shows you how you can register freight transports for delivery and collection at the Stadler Bussnang AG locations that are not recorded in our transport management system. Delivery or collection is only to be registered if you need to be served by our staff.

!! The system doesn't work on Internet Explorer 11 anymore. Therefor a registration via this browser is not possible.

Step 1

Access to the portal can be requested via our website in the "Suppliers"-Section by entering your email address.

Step 2

Dock booking

The fields yellow marked in the picture are mandatory.

The information for unloading place, Supplier und Booking Number can be found on every order from Stadler Bussnang AG. Incorrectly entering of these data may mean that we cannot accept your delivery.

Any further information about your registration will help us to register your time slot booking faster and to speed up the process at our locations.

!! Please make sure to use a new line for each order number.

If you have any problems with your registration, please feel free to contact our transportation department at stag.transporte@stadlerrail.com.
