

Stadler US Inc, seeking qualified DBE suppliers for Passenger Railcar Goods & Services

Stadler US Inc, a Transit Vehicle Manufacturer in Salt Lake City, Utah, has established a goal of 2.71% DBE participation for its railcar projects in fiscal year 2022. The proposed goal and its methodology are available for inspection during normal business hours at 5880 W 150 S, Salt Lake City, Utah 84104. Stadler will accept comments on the aforementioned DBE goal for thirty (30) days from the publication of this notice. DBEs must be certified according to 49 CFR Part 26 and be capable of meeting all technical, quality FRA, fire safety, and commercial requirements for the desired materials and services required to manufacture passenger railcars. Interested companies should contact Stadler's DBE Liaison Officer Mr. Justin Banks at justin.banks@stadlerrail.com.
